

Dear Parent / Carer,

Wednesday 16<sup>th</sup> June 2021

### **Year 6 Adventure Residential – Raleigh Estate, Dartmouth 15<sup>th</sup> – 17<sup>th</sup> September 2021**

It is a real pleasure to write to you about residential visits again! It's a long time since we even considered being able to enjoy these, not to mention being able to actually organise them.

Following the success of previous years' visits, I am writing to give you important information about your child's next residential trip in September 2021 when they will be part of our Year 6 group that visits the Raleigh Estate near Dartmouth. I know it seems miles away but trust me, it will be here before we know it! I am excited already!

The residential will last for three days and two nights. Whilst away, the children will be canoeing along the River Dart as well as making camp and cooking their dinner over open fires. They will take part in a Challenge Course to find 'The Lost World' where they will need to develop and use teamwork and outdoor skills to solve problems successfully. They will have the opportunity to ride the famous zip wire through the treetops of the Raleigh Estate and learn more about bushcraft and orienteering skills. They now even have the chance to beat their teacher on the tree climb! The activities really are a chance to learn more about ourselves, face up to a challenge and find out what it takes to be a successful team player.

Following the success of previous residential events, we are keen for all of our Year 6 children to have the opportunity to begin their final year at Haytor View in this fantastic setting. All of the activities take place in a safe and secure manner that all children can engage with, whether they are confident swimmers or not. However, if your child has concerns about any of the elements of the stay, certain parts can be avoided if they wish. All of the instructors employed by Young Spirit are fully qualified and understand our school ethos so they are aware of our children's different needs and offer encouragement accordingly.

We are really keen to ensure that the trip is accessible to everyone and that we have as many children as possible joining us. With this in mind we have been working hard with Mark Reeves from Young Spirit to keep costs down, and as well as that, we are sharing arrangements with you as early

as possible again this year so that you can have longer to pay for the trip. This unique experience should be something that lives long in the memory and provides a great way to spend time with classmates at the start of Year 6. In order to meet the costs of the trip, we are seeking from parents a contribution of **£161.60 for each child**. The price of this trip has actually decreased this year, thanks to a very understanding approach from Young Spirit - they have supported us again to keep the cost of residential visits as manageable as possible. What's more, we always ensure that maximum value for money is received by parents/carers and the children who take part in the activities – our long term relationship with Spirit of Adventure allows us to make sure that this is the case.

The amount may be paid in instalments over the coming months or as a lump sum – whichever is most convenient. **Sadly we are not able to take any children on the residential trips if full payment for the trip has not been received before we leave.** With this in mind we'd encourage you to take advantage of the instalment system and pay in smaller, more manageable amounts if this is helpful - there is still a lot of time left before we go. Procedures have been set up in school and our office is prepared to accept payments from today. If you choose this option and save £20.20 each week from today, you will have paid the full amount by the time we leave!

I would be grateful if you could complete the slip below confirming whether you plan for your child to take part in the trip, along with details of how you plan to make payments to meet the cost of the residential.

We look forward to enjoying another memorable residential visit and are pleased to be able to rely on your continued support.

Yours sincerely,

Graeme Hankin

Key Stage Two Phase Leader
