

27th November 2020

Dear Parent / Carer,

Visitor to Year 6 – Friday 4th December

During the course of next Friday afternoon, children from the Year 6 class will be visited by Megan Miles. During the Spring Term Megan will be joining the class and in recent weeks the children have been writing to each other to say hello and introduce themselves.

Megan will join the class for 15 minutes or so, and will remain socially distanced throughout. We know that in these tricky times it is important that you are aware of plans that we have for visitors into classrooms as we're keen to prevent any concern or confusion.

We look forward to seeing Megan for a short while ahead of her joining us in following the Spring half term. Of course should you have any questions or concerns about this visit, do get in touch.

Yours sincerely,

Graeme Hankin
Key Stage Two Phase Leader
