celebrating difference – enriching community*

Year 1 Transition Newsletter Summer 2024

Moving On . . .

Transition is the experience children have when they move to a new setting, this might be a new school or a new class. Transition is an important learning experience as one of the many changes that occur in our children's lives. We recognise the importance of careful planning for children's transition experience.

We know the experiences children have at key transition points can offer an opportunity for each child to develop positive learning dispositions regarding 'change'. These can support the development of children's emotional and social well-being, and sense of identity. Children who develop positive attributes such as strength, resilience, independence and self-confidence will be able to call on these attributes to support transitions, changes, throughout their lives.

Transition at Haytor View is focussed upon building strong and trusting relationships between children, adults and parents/carers, through effective communication, as well as supporting the consistent transfer of existing relationships and relevant information.

At Haytor View we support transition through a range of opportunities both across the year and as the children get closer to 'moving on'.

Some of these were shared with you by letter earlier this term:

- Spending time in different spaces around the school;
- Meeting a range of school adults in day to day opportunities such as assembly;
- Having conversations and interactions with different children and adults;
- Having regular discussions throughout the year focused on children's well-being, learning and development;
- Informal opportunities to meet different people;
- Teachers share with each other children's unique motivations, strengths, attitudes, skills, knowledge, understanding and learning dispositions, as they move classes;
- We think about the support each child requires in new situations;
- Individual pupil planning for children with SEND;
- **An opportunity for parents/carers to 'drop in' and have a chat with your child's Learning Leader for next year - Weds 17th July 3.30pm – 5pm.**

***“Strong relationships
feature throughout
the school.”***

***“Pupils personal
development is at the
heart of Leaders’
work.”***

Ofsted 2023

In the transition process we ensure children have a voice, providing them with the opportunity to ask questions, seek explanations and express their views. Children who will be in Years 1 to 6 had a whole class 'familiarisation' session on Thursday 4th July. Where children will benefit from multiple 'taster' opportunities, these will be provided on an individual basis. Arrangements for Foundation Stage children will be facilitated by Miss Butler through individual arrangements.

The 'familiarisation' session/s facilitated by your child's Learning Leader will provide a valuable opportunity to develop their relationships with new children and adults.

Our aim is to ensure that your child has a smooth transition which will enable your child to continue their learning and development in a supported and uninterrupted way. We will keep you in the picture about transition plans by letter and via the newsletter, but should you have any queries regarding transition please feel free to discuss them with your child's current or future teacher, their phase leader or Mr Hampton.

Best wishes for a successful transition.

Staffing Changes for 2023 – 24...

When we return to school after the Summer half term break, we always have transition firmly in our minds. The arrangements for Autumn 2024 will see children leaving us, others arriving, as well as children moving year groups.

We are pleased and proud that we continue to see our school thrive. This is seeing us able to retain our 8 classes at a time when many schools are having to reduce numbers of classes, and increase numbers of children within them. There are however a number of staff changes to share with you, all of which will take place over the summer break. These have been shared with you in our first transition letter in June.

We say 'farewell' to Miss Poucher in the Foundation Stage, as she prepares for a new role as a teacher following her successful appointment at a school in Exeter. We thank Miss Poucher for the enthusiasm and connection that she has brought to the Foundation Stage and wish her well for the future.

We will also be saying 'bye for now' to Mrs Pavledis and Miss Louise who have supported us brilliantly in specific areas of need during recent times. We expect to be seeing more of them in the future as needs arise and are grateful for all they bring, so consistently, to Haytor View.

Beyond these changes in staffing we are pleased to be maintaining the rest of the school team – many of whom you will be familiar with. With changes being made to the roles within school you may find yourself and your child developing new relationships in 2023-24. Be assured that every member of our school team will be keen to get to know you, your child and their needs as a learner.

“Parents consider the school to be a nurturing and caring environment.”

Ofsted 2023

This Transition Newsletter...

The arrangements put in place to support children's transition are as a result of leaders and teachers thinking about each of the children in each of our classes, to ensure they receive opportunities which will support them in effectively 'transitioning' from their current class into their new class.

This transition newsletter provides specific details about the transition arrangements for your child, as well as information about the adults your child will be spending time with so you know the main points of contact.

Children spent time in their new classes for the first learning session of the day on Thursday 4th July. You will know from previous letters that we are also hosting an after-school opportunity for you to catch up with your child's current teacher, visit your child's new class and where possible meet their new teacher - this will take place on **Wednesday 17th July 3.30 – 5pm.**

Information About Your Child's New Teacher in Year 1 – Miss Hall

My name is **Rebecca Hall** and I am the Year 1 Learning Leader. I have been a part of the KS1 team for 7 years.

I am dedicated to bringing a fun and interactive approach to learning. Over the past couple of years have been learning more about continuous provision and supporting children's learning through play in year 1. I believe positive relationships are integral to successful learning and strive to build these with children in year 1 and beyond. I am highly motivated by challenge and creativity which I promote in the classroom. I am constantly seeking new innovative ways to inspire learning.

Outside of school, I live with my partner Harry in Plymouth and spend most of my spare time being active! I am a sports enthusiast and love to try new things. I particularly enjoy participating in endurance races, mud obstacle runs, cycling, sea swimming, paddle boarding, and recently, competing in aerial silks. I do also value time spent with family and friends.

I am extremely excited to welcome our new Year 1s into our class!!

Miss Cameron will also be supporting your child's learning during the week

My name is **Viki Cameron** and I am a KS1 and 2 Learning Leader, I have been a member of the teaching team at Haytor View for over eighteen years. During the next academic year I am looking forward to inspiring learning within KS1. As part of my role I have the amazing opportunity to work with different children within KS1, teaching a variety of subjects including music. I am looking forward to providing a wide range of learning opportunities that focus upon individual needs and supports confidence, love for learning and achievement. I enjoy living in Kingsteignton with my son Iwan. When I'm not in school I love to spend time with my family going for walks, visiting parks or beaches with our dog. I also enjoy knitting, reading, playing games and having fun with Iwan.

The Opportunities Your Child will Receive During the Year

"Pupils, staff, parents and carers agree that Haytor View is a happy place to learn."

Ofsted 2023

In Year 1, your child will experience opportunities that will enable them to grow, gain confidence, build relationships, and learn through exploration and enquiry. Throughout the year our provision develop and enable children to engage with exciting topics in an interactive and interesting way.

There will also be opportunities for school trips including various sports festivals, trips to Decoy and museum visits. Through this, the children will be able to interact with other schools and experience a broad range of activities.

On the back of a successful visits last year, we also hope to welcome back Simon with the Space Dome. We are also looking forward to the return of Lucas Jet where we can explore our circus skills.
