Art Workshops - Year 5

Over the summer term, our Year 5 pupils will be taking part in some art workshops. These workshops are being provided by DAISI who are a leading arts education charity working throughout Devon and Torbay. The project has been subsidised by The Helen Foundation.

The Helen Foundation is a well-established local charity that supports the aspirations of young people in the arts who live in Teignbridge. It was launched in January 2006 as a living memorial to Helen Elizabeth Kirk. The Helen Foundation trustees make an offer to every state-funded school in Teignbridge to subsidise arts-based workshops for Key Stages 2-5 led by professional artists.

The workshops will take place on the dates below:

Planning Session	23 rd April 2025
Workshop 1	14 th May 2025
Workshop 2	21 st May 2025

To make the very most of this generous offer, we have worked alongside some other nearby maintained schools which opened up the opportunity to apply for some additional funding. There will a celebration of the outcomes and final pieces from each of the schools at Highweek Primary School on Thursday 10th July. More details of this event will follow in the summer term.

We are very excited to be working alongside experienced, talented and inspiring artists and see this as a wonderful enrichment opportunity for our children.

Kind regards
