

Wednesday 13th November

Dear Parent/Carer,

Bikeability Training 2024-25

I am writing to you to offer your child the opportunity of a free cycling proficiency course starting in January. William Young, our new (and excellent!) Bikeability trainer, is in school during the first and second weeks back after Christmas, to deliver the training to children in our class.

The children will be practising on the playground first then onto quiet roads close to our school under strict supervision. Each child taking part will need a fully-working, roadworthy bike, helmet and suitable outdoor clothing. They will need to be able to ride their bike safely and in a controlled way over a short distance to take part. If your child has all of these things, please complete the associated reply slip, thereby giving your permission for them to take part in the training. They will need their bike in school every day of either week 1 or week 2 and will spend time out of class each day to complete the training. We will finalise specific dates nearer the time. I will of course be in touch nearer the time to give you more details.

Please complete the associated reply slip and return it to me ASAP. We have a limited number of spaces (18) so they will be offered on a first come, first served basis. Many thanks for your continued support.

Yours faithfully,

Graeme Hankin
School Senior Leader
