

*Learning together - enjoying success - aiming high –  
celebrating difference – enriching community*

Thursday 18<sup>th</sup> September 2025

Dear Parents and Carers,

Miss Wicks and I would like to invite you to a **Class / Parent Catch-Up** on **Tuesday 23<sup>rd</sup> September** straight after school. The purpose of this meeting is to share important information about the year ahead and to strengthen the partnership between home and school. During the session, we will:

- Outline key areas of learning your child will be engaging with this year.
- Explain expectations for reading and home learning, including how you can support these routines at home.
- Provide guidance on how parents can help children develop good learning habits, resilience, and independence.
- Share information about clubs and enrichment opportunities that are available.
- Answer any questions you may have about learning in Year 6 and beyond.

We know that children achieve their best when home and school work closely together. The evening is a chance to explore practical ways you can support your child's progress, from establishing regular reading routines and encouraging curiosity, to helping with organisation and celebrating successes along the way.

We look forward to catching up soon.

With best wishes,

Tracey Wicks and Graeme Hankin (Year 6 team)
