

Dear Parent/Carer,

Tuesday 5<sup>th</sup> November 2024

### **Year 5 and 6 Home Learning Club Invitation**

Following on from the fantastic start to the new school year that your child made, our Year 5 and 6 children have decided they would like to get back into the routine of attending home learning club as soon as possible. In order to give everyone time to get relevant authorisation back to us, I would like to begin in week two, that's **Thursday 14<sup>th</sup> November**. Home learning club has always been very well attended because it offers children the chance to really focus on home learning activities in small groups. They work together with their friends to achieve current learning challenges set by their class teacher and if they find something too tricky, we are there to help them.

Your child has expressed an interest in joining our home learning club so we are writing to invite them along. The club takes place each Thursday straight after school until 4.15pm in our classrooms. If you are willing to allow them to take part, please complete the attached reply slip and return it to school, stating the way in which you would wish for them to get home afterwards. The first club will take place on **Thursday 14<sup>th</sup> November** and we should see a clear run through until the last one before we break for Christmas (fingers crossed!) Thanks for your continued support.

Yours sincerely,

Graeme Hankin  
Year 6 School Leader

Iain Franklin  
Year 5 School Leader
